

SDCCD CTE COMMUNITY COLLABORATIVE COMMITTEE MEETING

Minutes

Project Management Group

Monday, March 16, 2009, 11:30-12:30

Recap	Action Item	Responsible Person(s)
<p>Award Details and Planning for Future Collaborative Funds</p> <ul style="list-style-type: none"> -The Workforce Innovations Partnership grant is not yet defined, but it will help define SDCCD’s plan for sustainability. -Good Morning San Diego (3/16/09) – Phil Blair from Manpower discussed sustainability in San Diego – in the next 15-20 years, green jobs will grow 500%. -The ARRA has a lot of money for health care and sustainability – see the four page handout on ARRA that was sent via email by Ashley. -There is a need to identify skills needed across industry sectors and adjust or embed modules into existing curriculum. -The user guide for ARRA RFA is at www.greenforall.org. -Campuses will have access to funds after Board approval on March 26, 2009 	<ul style="list-style-type: none"> -As suggested by Otto Lee, this group will be used to expand our sustainability efforts. We will begin with bringing leadership to the table, planning, and outreaching to implementers. -Identify key players and conduct planning meetings before the ARRA RFA is released. -A meeting will be held before the end of the fiscal year to create a list for sustainability – expanding existing programs or entering new areas. -Create a Resource Catalog to guide counselors in advising the unemployed who only need some re-tooling. This will get people back to work without having to earn a degree or certificate. 	<p>Co-Chairs, Grants Director</p>
<p>Expanding the Advisory (Steering) Committee</p> <p>Group has decided to invite a college counselor and a middle school principal to join the Advisory Committee as suggested at the statewide forum.</p>	<p>Principal: Listy Gillingham from DePortola Middle School Counselor: David Navarro at Mesa</p>	<p>CC Project Director</p>
<p>Regional Forum of SB70 Recipients</p> <p>The SDCCD CTE Community Collaborative will host a regional forum to develop awareness of SB70 projects in the San Diego area. A WestEd representative will participate in</p>	<ul style="list-style-type: none"> -Presentations should focus on successful and unsuccessful strategies to overcome challenges -Collaboratives should present strategies that transcend programs and can be successfully 	<p>Research Associate</p>

the forum to report back to the Governor.	adopted across sectors.
