**Industry/Sector\*\*\*\*  
Sub-Group**  
Industry/Sector Specific Reps  
*Membership TBD*

\* Steering Committee will be responsible for providing general oversight for the collaboration. Each Committee representative will serve to provide critical feedback from their respective service area.

\*\* Project Director serves on Regional Committee and will ensure the collaboration of the SDCCD CTE Partnership with the already established regional consortium.

\*\*\*Project Management Group will be responsible for curriculum development and alignment and for working to ensure the viability of all programming.

\*\*\*\*Once industry sectors are clearly defined, a sub group will be formed to assist in project management and keeping initiative apprised of industry trends, needs, and changes.
